### Let's Stick Together

In this dynamic market environment, you can count on Corning to ensure you have the lab supplies you need, when and where you need them. Our global manufacturing, supply chain, and distribution footprint means we remain agile and responsive in every region we serve. Corning offers in region, for region manufacturing, sterilization, warehousing, and distribution, ensuring reliable support tailored to local needs. We prioritize supply assurance to reduce the risk of disruptions, allowing you to focus on groundbreaking work with confidence, knowing you have a partner you can rely on every step of the way.

Trust Corning® and Falcon® Pipets to enhance your aseptic technique.

- Sterility Assurance Level (SAL) of  $10^{-6}$
- TSE/BSE-free
- RNase-/DNase-free
- Human DNA-free
- Nonpyrogenic
- Noncytotoxic
