REQUEST A FREE
TRIO.BAS™ AIR SAMPLER DEMO TODAY!

How to request a demo:

1. Contact your local Thomas Scientific rep to determine which air sampler best suits your needs.
2. Once you have a preferred air sampler, please review/sign [our Terms & Conditions](#) and complete [this online form](#).
3. If you need plates to demo with the unit, just ask your Thomas Scientific rep for a complimentary pack of 10. Hardy Diagnostics will provide them at no charge.

Please don't hesitate to contact [Hardy's Technical Services team](#) with any questions relating to the operation of these instruments. We will be happy to help you!
