## WELCOME

Thomas Scientific is a distributor of laboratory supplies, equipment and chemicals. The products in this catalog represent only a small offering from our extensive catalog and website. We're here to make your purchasing process as simple as possible. For additional models, sizes, packaging and accessories not shown in our catalogs or if you just need help selecting a product, contact us at (833) 544-7447 or visit us on the web at [ThomasSci.com](http://ThomasSci.com).

Thomas Scientific accepts VISA, Master Card, American Express and the IMPAC card for government buyers.

## OUR MISSION

To help science create a better world by providing quality products with personal, timely and efficient service.

***Delivering Quality Scientific Supplies  
Worldwide Since 1900***

**Special offers and pricing are valid through  
December 31, 2021 unless otherwise noted.**

**NOTE:** Offers in this catalog are void where prohibited by law or company policy. Shipping charges are not included. Prices and offers are subject to change without notice and are not to be combined with other offers/discounts or contract pricing. Valid in USA only. Dealer/reseller sales not applicable. For web orders, enter the promo code, if applicable, at time of checkout. For phone orders, please supply the promo code to the customer service representative when ordering. Discount pricing shown must be specified when placing order. Returned products will be subject to billing for Free Items at list price. Free items in 'Buy/Get 1 Free' offers will be the item of lowest value unless otherwise noted. Giveaways and free products may be shipped separately. Allow 4-6 weeks for delivery.

# Benchtop Laboratory Equipment

**NEW Models!**

**Rockin' Roller –**  
This unique vacuum tube rocker also incorporates a rolling motion for the ultimate in homogeneity of your samples!

**Tube Rockers –**  
Workhorse of the lab! Also available in a 2-tiered model.

**Nutating Tube Rocker –**  
The 3D motion is ideal for gentle mixing.

**Vortex Mixers –**  
A must-have for virtually every lab. Three models available.

**Globe Scientific is pleased to announce the expansion of its line of feature-rich, easy-to-use benchtop equipment for the laboratory.**

Each model is equipped with advanced technical and safety features and comes with a 2-year warranty\* backed by the quality and customer support that lab professionals expect from the Globe family of products. Units are in stock and available for immediate delivery.

- Clinical Centrifuges, Hematocrit Centrifuge
- Mini & Microcentrifuges
- CapTrack™ Automated Recapper & Specimen Archiver
- Vortex Mixer, Stirrers
- Tube Rotators, Tube Rollers
- MORE in the pipeline!

**Benchtop Centrifuges –**  
Clinical, research, micro, mini and hematocrit, Globe has a centrifuge to suit your needs!

Visit [thomassci.com](http://thomassci.com) for further details and pricing.

**globe®**  
SCIENTIFIC INC.

\*3375 Manual Pipette Controllers and all CapTrack™ models come with a standard 1 year warranty.

# THE NEXT GENERATION GENO/GRINDER

- Accommodates full range of sample vials from 2 to 50 mL
- Fast and efficient extraction of nucleic acids, proteins, and other molecules
- Double-locking lid provides safe operation
- Sound insulation and suspension system ensure quiet, vibration-free operation

# Equipment Financing Available!

## Benefits of Equipment Financing

- **Low monthly payments**
- **Purchasing Power:** Purchase today's equipment with tomorrow's dollars.
- **Free up working capital:** Financing improves cash flow by enabling increased productivity while keeping your funds liquid.
- **Protect your line of credit:** Lease payments have no impact on your bank credit lines so keep this available for other business needs like marketing & additional resources.
- **Section 179 tax code advantages:** This has been a great advantage to businesses for years, but did you know when it's combined with equipment financing, it can save you thousands and increase cash flow?

## Keeping it Simple

## Program Flexibility

**North Star Leasing** offers a wide range of financing programs to meet unique business needs.

- 24-60-month finance terms
- 100% financing – equipment, tax & delivery
- Start-ups & established businesses funded
- Flexible & customized financing programs
- \$1.00 ownership transfer

**What's Easier to Manage?**  
A big outlay of cash or low  
monthly payments?

**ASK ME HOW**

*Since 1979 North Star Leasing has been investing in the growth of smart businesses. By enabling companies to obtain the equipment they need today to succeed tomorrow, we are perpetually investing in people's futures.*

**NORTH STAR**  
LEASING COMPANY

*How can we help you grow your business?*

## SAVE ON THE MACROMAN®

Purchase the MACROMAN for only \$249

MACROMAN is a precise pipette controller for glass and plastic pipettes. It can handle a volume range from 0.1 to 100 mL.

### OPTIMAL SPEED CONTROL

The aspirating and dispensing speed can be set using pressure sensitive triggers or by using the thumb wheel while pipetting. The speed is adjustable up to 25 mL in less than three seconds. The screen continuously displays battery status as well as the aspiration and dispensing speed setting.

### COMFORTABLE USE

Prevent hand fatigue with MACROMAN's ergonomic handle featuring wide triggers for maximum comfort and stress-free pipetting. The Lithium-Ion battery enables a longer, vibration-free use with reduced charging time. Increase precision by choosing your flow rate mode from slow drops to rapid dispensing.

MACROMAN®			
Part Number	Description	List Price	Promotion Price
20A00L607	MACROMAN	\$305.00	\$249.00

**Purchase a ROSS pH electrode, get a ROSS buffer kit at no additional charge\***

## Use promotional Cat. Nos. to get buffers at time of purchase

Chemists have been relying on Thermo Scientific™ Orion™ ROSS™ pH electrodes to provide critical measurements for 40 years. Other electrodes come and go, but the ROSS reference system continues to be the foundation of the most stable and responsive electrodes available.

Maintain pH electrodes more effectively than other suppliers with Thermo Scientific™ Orion™ ROSS™ All-in-One™ pH Buffer Kits. Convenient buffer kit includes 4.01, 7.00 and 10.01 buffers, ROSS storage solution, cleaning solution and storage bottle.
