

safeForce

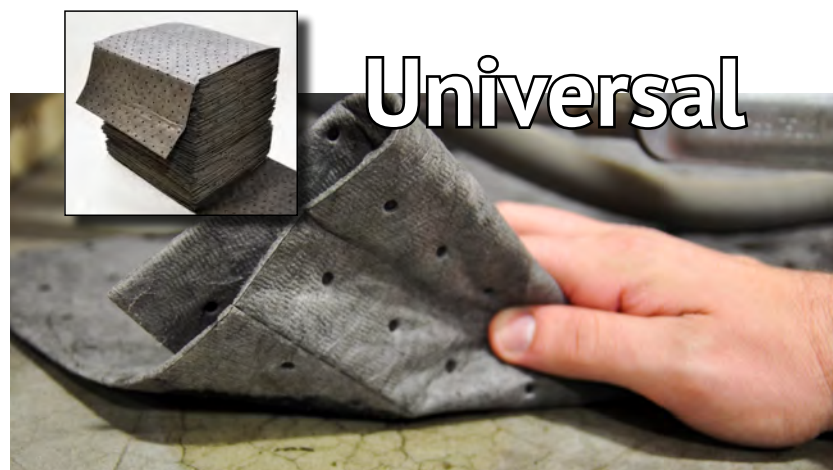

Spill Control Sorbents

Sorbent Pads

SafeForce universal pads are an all-purpose sorbent – designed to absorb oils, coolants, solvents, water and so much more.

- Great wicking and performance for all of your leaks, drips and spills
- Dimple bond pattern increases strength and durability

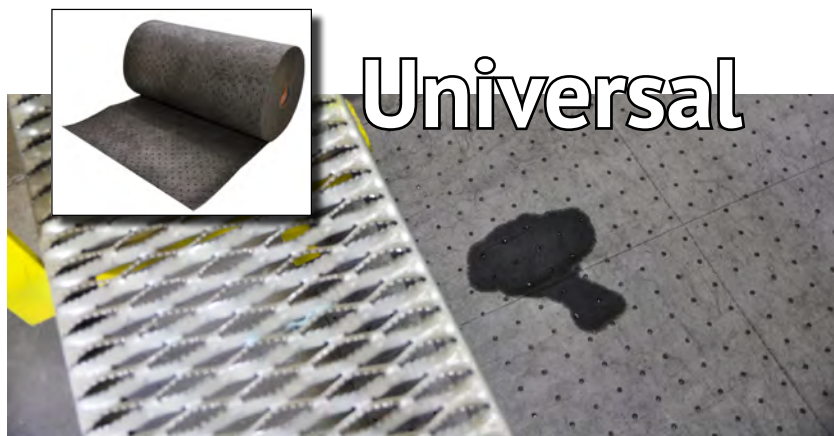

Thomas #	Description	Packaging
1138X70	Lightweight, 16"x18" Universal Pad	200/CS
1138X69	Medium weight, 16"x18" Universal Pad	100/CS
1138X68	Heavyweight, 16"x18" Universal Pad	100/CS

Sorbent Rolls

SafeForce universal rolls are an all-purpose sorbent perforated both horizontally and vertically for flexibility and to maximize uses per roll.

- Designed to absorb all of your leaks, drips and spills
- Disguises grime and unsightly spills – keeping yur facility looking clean and safe

Universal

Thomas #	Description	Packaging
1138X75	Lightweight, 32"x300' Universal Roll	1/CS
1138X74	Medium weight, 30"x150' Universal Roll	1/CS
1138X73	Heavyweight, 30"x150' Universal Roll	1/CS

HazMaT

Sorbent Pads

SafeForce hazmat pads are a universal sorbent designed not to degrade or react with aggressive chemicals.

- Abrasive-resistant spunbond coverstock for added strength
- Color coded yellow for safety

Thomas #	Description	Packaging
1138X72	Lightweight, 16"x18" HazMat Pad	200/CS
1138X71	Heavyweight, 16"x18" HazMat Pad	100/CS

Socks

Socks are the perfect solution for wrapping around leaky equipment or other odd-shaped trouble spots.

- Nylon skin resists tearing; reduces dust and holds in liquid, even when saturated
- Universal socks are filled with recycled material and absorb virtually all liquids
- Hazmat socks absorb aggressive chemicals and are color coded yellow for safety

Thomas #	Description	Packaging
1138X77	Universal 3"x4' Sock (Recycled Fill)	40/CS
1138X76	HazMat, 3"x4' Sock (Yellow)	15/CS

Sorbent Pads

- Extra low lint pads provide for a 100% lint free cleanroom where airborne particles are prohibited
- Hazmat pads encased in tear resistant, low lint spunbond

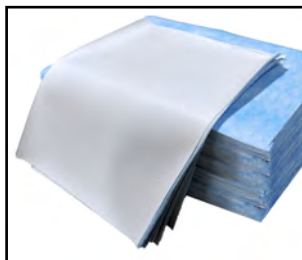

Lab & Cleanroom

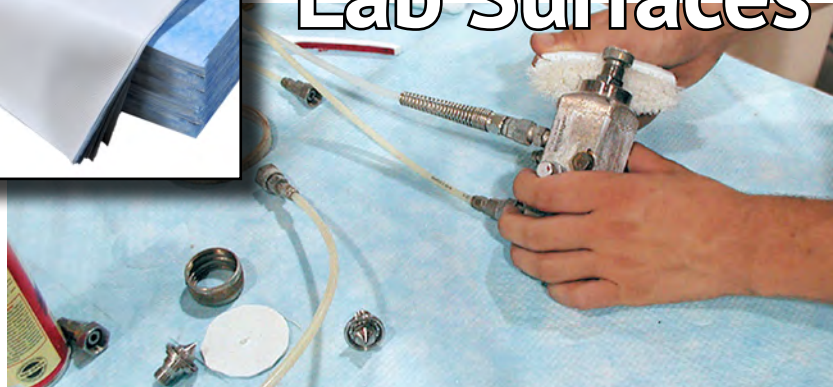

Thomas #	Description	Packaging
1138X78	Light Duty, 12"x12" Extra Low Lint, White Pad	50/CS
1138X79	Light Duty, 18"x18" Cleanroom Yellow Pad	50/CS
1138X80	Light Duty, 8.5"x8.5" Cleanroom Yellow Pad	20/CS

Soaker Pads

- Heavy-duty soakers are made with a clear poly backing to prevent skids and chemical soakthrough, while absorbing 1 liter per square meter
- Light-duty soakers are made with multiple layers of 100% recycled absorbent tissue with a waterproof, skid-resistant and chemical resistant poly backing

Lab Surfaces

Thomas #	Description	Packaging
1138X82	Light Duty, 16"x20" Blue Back Soaker Pad	250/CS
1138X81	Heavy Duty, 16"x20" White Back Soaker Pad	200/CS

Skid-Resistant, Leak-Proof Pads

- Keep surgical rooms safe and dry
- Place around scrub sinks that are likely to be high-traffic wet areas

Floors

Thomas #	Description	Packaging
1138X83	Lightweight, 32"x64" Green Poly Backed Pad	20/CS

Additional Products To Keep Your Laboratory and Medical Facilities Clean and Safe:

Universal Spill Kit

For laboratory or any small spill up to one gallon, this SafeForce universal kit features an organic absorbent ideal for acid and caustic neutralization.

Thomas#1142W06

Grab & Go® Acid Neutralizer Spill Kit

Designed for portability and quick response, the Grab & Go kits are packed in high visibility buckets that can be used for disposal of the spill clean up materials.

Thomas#1233J60

Compact Neutralizer Spill Kit

This compact kit is ideal for neutralizing small acid and base spills and comes packed in a portable red case with an easy carry handle.

Thomas#1233J57
